## BOOK SYNOPSIS

Surround yourself in Everything Spring. Stunning photography and detailed imagery capture the uplifting spirit of our favorite season in this counterpart to the National Geographic bestseller A Tree for All Seasons. We think of spring and we feel warmer, sunny days, we smell the freshness of nature's flowers blooming again, and we picture little chicks and furry bunnies. These adorable baby animals are fun to look at and they represent the spirit of renewal and life that is spring. Every young creature finally ventures outside to play as the dreary days of winter fade away and color surround us all. Spring is about being outdoors enjoying all that our wonderful planet has to offer—it's about living life to the fullest. In Jill Esbaum's beautifully photographed picture book, young children can see, hear, and feel the warmth of springtime by reading and learning all about chicks, bunnies, and the other baby animals that come out to play in springtime..
