## **BOOK SYNOPSIS**

LIGHT AND PEACE is a handbook for getting to Heaven a short and practical course in proper Christian living that covers all the important aspects of our religious duties. By far, the most telling feature of this little book is its immense common sense and good advice. LIGHT AND PEACE shows that perfecting one's self is not a complicated task, but one which requires good, practical thinking and a knowledge of the task at hand in short, Light on the path which is what this book is. Thereafter, the result of one's knowing where he is going spiritually and how best to achieve this end is Peace, that peace which Our Lord promised and which the world cannot give. LIGHT AND PEACE is a classic in Catholic spirituality. First written in 1795 in Italian, this work has passed through innumerable editions in Italian, French, German and English, the present one alone being the tenth in this format. In short, it is a summary of spiritual guidance for earnest Christians in the ordinary duties of life in the world. (Translator's Preface).
