BOOK SYNOPSIS

"Guaranteed laugh out loud material, Tofields secret is successfully relating Simons cat to any cat. Simons cat is certainly the Snoopy of the cat world." --Chicago Tribune "Simons Cat Off to the Vet and Other Cat-astrophes is a sweet, humorous look at feline behavior from an author with a thorough understanding of this subject matter....An excellent holiday gift for any cat fancier." --Phyllis O'Beollain, Examiner.com "Simons Cat: Off to the Vet has dozens of hilarious cartoons of varying lengths....The cartoons are about more than just taking a reluctant cat to the vet (which involves a cardboard box and perfect timing). There are cartoons about destroyed gardens, destroyed bird feeders, destroyed clothes and destroyed furniture. But there are also cartoons about the affection cats can show us, and how we return the love...Every cat lover will love Simons Cat: Off to the Vet...and Other Cat-astrophes." --About.com "Whether you are 5 or 95, this is sure to draw a smile from you." --Sharon Damon, Examiner.com "My reaction to each new Simons Cat video or book is the same: YAY!! In this brand-new collection, acclaimed cartoonist Simon Tofield tackles every cat owner's nightmare: going to the vet. It tells the story of how Simons Cat seems to instinctively know a trip to the vet is about to happen and the lengths he'll go to avoid it, while long-suffering Simon is forced to try all kinds of tricks to get him to cooperate. Sound familiar?" --Catster "Witty and wonderful, Simons Cat: Off to the Vet is a treat for cat lovers or anyone who loves laughter." --Midwest Book Review "Whether you read it straight through or pace yourself with one or two cartoons at a time, this is a book that will cheer the gloomiest day. Add the videos, some snacks, a favorite beverage and a cat on your lap--its a little vacation in the middle of daily life." --Kings River Life Magazine In the last five years, Simons Cat has become a global phenomenon. Star of thirty-nine films, which have been watched over 500 million times, and winner of a dozen major industry awards, Simons Cat has captured the hearts of a worldwide audience. In this brand-new book we see Simons Cat face any felines most dreaded scenario--hes off to the vet. And hes not at all happy about it. Sharing its theme with the first-ever full-color Simons Cat feature animation, funded by a record-breaking Indiegogo campaign and due to be released alongside the new book, Simons Cat Off to the Vet...and Other Cat-astrophes is packed with over 240 pages of hilarious new gags and adventures featuring our favorite furry friend and his companions--both old and new. Says Tofield: "Taking my naughty cat to the vet is one of the most requested film ideas from our fans. It was because of this that I started work on a new film and book based on the crazy situations that arise during these trips! A visit to the vet can be quite a stressful time in real life for both cats and their owners, however my goal is to bring out the comedy, and introduce a cast of extra characters for Simons Cat to meet, as he gets his claws into his new surroundings!"
